HIGH SPEED INKJET PLOTTER

MIP Series
Model No. 1183

Discover our economical inkjet plotters, offering cost-effective printing solutions without compromising reliability or quality, making them an ideal choice for budget-conscious users.

Experience the simplicity and user-friendly design of our inkjet plotters, providing streamlined operation and basic functionality to meet your printing needs with ease.

Our inkjet plotters offer a simplified printing experience, allowing you to achieve efficient and reliable results without the complexity or unnecessary features found in higher-end models.

Unlock affordability without compromising performance with our inkjet plotters, offering reliable and efficient printing solutions that are accessible to a wide range of users.

Plotting Width	1850 mm
Plotting Speed	1200-1450 mm/s
Processing Area	1550-1800 mm
Plotting Resolution	150-600 DPI
Max Paper Feed Width	1750 mm
Max Cutting Feed Width	1650 mm
Print Media	Paper roll with diameter up to 28cm
Voltage Requirement	240V
Dimensions	2200*750*550mm
File Format	DST, DWG, DXF,CDR,PSD,PNG,JPEG
Plotting Precision Tolerance	0.025 mm
Pc Interface	USB
Noise Level	<39db
Power	120 W
Voltage	AC220V/110V,50Hz
Operating Temperature	10-40 Degree Celcius
Weight	300 KG
